

CLASS - VII

SUBJECT - DRAWING

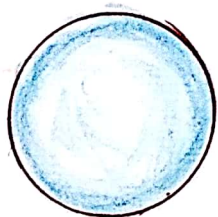

Students, you know about Geometrical shapes as Rectangular, square, triangular, cylindrical, spherical etc.

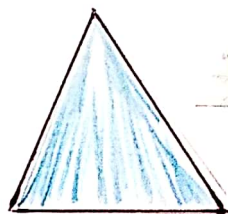

Rectangle

Square

Sphere

Triangle

Cylinder

We see a lot of things similar to these shapes around us such as table, ball, wooden box bottle etc.

P.T.O.

CLASS - VIISUBJECT - DRAWINGHOME WORK

- Que 1- Draw two rectangular shaped objects.
- Que 2- Draw two spherical shaped objects.
- Que 3- Draw two cylindrical shaped objects.
- Que 4- Draw two square shaped objects.
- Que 5- Draw two triangular shaped objects.
